

ENGINEERS CONCLAVE 2024

SEPT 26-27, 2024

THEME I: ADDITIVE MANUFACTURING FOR DEFENCE APPLICATIONS

THEME II: DEFENCE MANUFACTURING TECHNOLOGIES

VENUE

Defence Research and Development Laboratory (DRDL), Hyderabad

The eleventh **Engineers Conclave 2024** is being held from **Sept 26-27, 2024** at **Defence Research & Development Laboratory (DRDL), DRDO, Hyderabad**. Theme-I on “**Additive Manufacturing for Defence Applications**” is being coordinated by Dr. G Madhusudhan Reddy, FNAE, Outstanding Scientist and Former Director, Defence Metallurgical Research Laboratory (DMRL), Hyderabad on behalf of DRDO and Theme-II on “**Defence Manufacturing Technologies**” is being coordinated by Shri Jitendra J Jadhav, FNAE, Director & Programme Director (Combat Aircraft), Aeronautical Development Agency (ADA), Bengaluru on behalf of INAE.

The **National Advisory Committee** for the **Engineers Conclave 2024** is Chaired by **Dr. Samir V. Kamat**, Secretary, DDR&D & Chairman DRDO and Co-Chaired by **Prof. Indranil Manna**, President INAE & Vice Chancellor, BIT Mesra with the following Members:-

- Dr K Rajalakshmi Menon, DG (AS)
- Shri MZ Siddique, Former DG (AS)
- Dr. BK Das, DG (ECS)
- Shri U Raja Babu, DG (MSS)
- Dr. Subrata Rakshit, DG (TM)
- Prof. Sivaji Chakravorti, Vice-President, INAE
- Shri JD Patil, Vice-President, INAE
- Dr. Y Sreenivas Rao, DG (NS&M)
- Prof. Prateek Kishore, DG (ACE)
- Dr. Jaiteerth R Joshi, Convener, EC 2024

HIGHLIGHTS OF THE CONCLAVE:

- Inaugural Session
- Keynote Address by luminaries
- Plenary Talks
- Parallel Technical Sessions on the two themes
- Panel Discussions on the two themes
- Valedictory Session

ENGINEERS CONCLAVE 2024

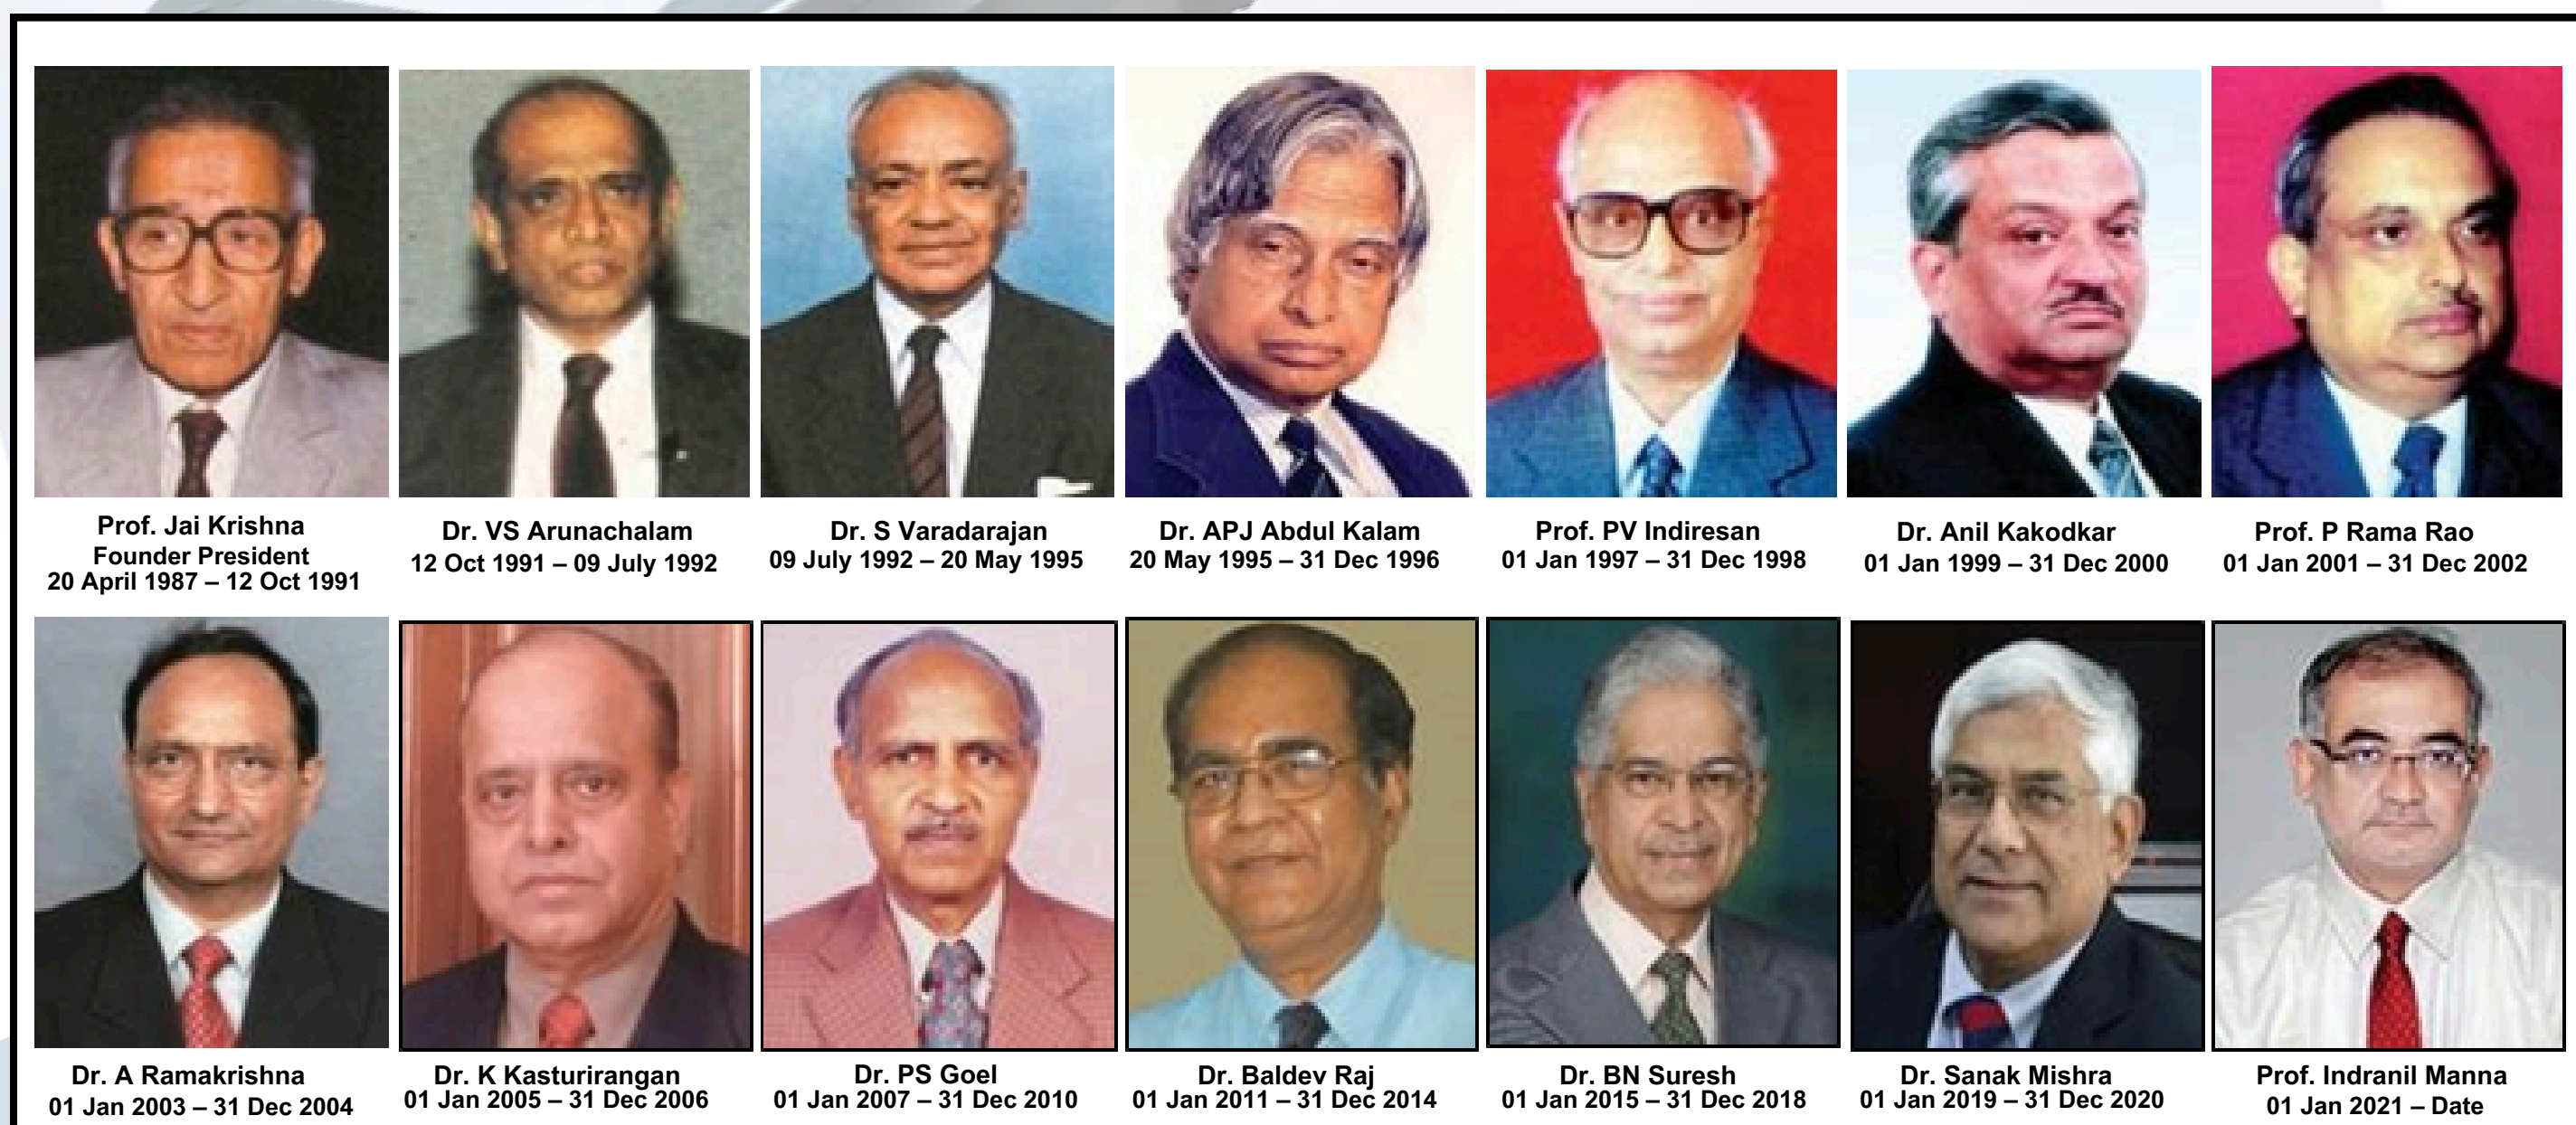

SEPT 26-27, 2024

About Indian National Academy of Engineering (INAE)

INAE was established on April 20, 1987 as a Society under the Societies Registration Act, 1860. It comprises India's most distinguished engineering professionals from Academia, Industry, R&D organisations and Strategic Sectors covering the entire spectrum of engineering disciplines. INAE is partly supported through Grant-in-Aid by the Department of Science & Technology, Government of India since 1995 as an Autonomous Professional Body. INAE brings together specialists from relevant inter-disciplinary engineering fields for comprehensive solutions for overall societal benefits and technological self-reliance of the country. The Academy organises several technical activities each year, with one of its flagship events being the Engineers Conclave.

Presidents of INAE:

INAE took an initiative of organising an annual mega event for engineers, called as "**Engineers Conclave**", since 2013 organised jointly with major engineering organisations. The objective of the Conclave is to provide a platform for engineers from allied fields to meet, deliberate and recommend right engineering solutions to some pertinent issues of national importance.

The Conclave consists of two themes - one coordinated through the host organization and the other through INAE. These themes are chosen to generate specific recommendations that are actively pursued with the concerned Government Departments/Agencies for implementation. Ten successful Engineers Conclaves have been conducted thus far, with recommendations forwarded to relevant stakeholders.

Some snippets of INAE Engineers Conclaves held so far:

Erstwhile Hon'ble President of India, late Shri Pranab Mukherjee, Chief Guest at the Inaugural function of Engineers Conclave 2013 at Vigyan Bhawan, New Delhi on September 17, 2013.

Late Shri Manohar Parrikar, the then Hon'ble Raksha Mantri delivering the Inaugural Address during EC 2015.

Shri Rajnath Singh, Hon'ble Raksha Mantri delivering Inaugural Address during EC 2019.
